

# SANGRÍA

SANGOR

## DESCRIPTION

Refreshing and sweet drink, made from Tempranillo and Garnacha red wine varieties and extracts of natural mediterranean fruit juices, citric aromas of orange, lemon and tropical fruit. 100% natural.

## TASTE NOTE

With a bigarreau cherry red colour, its shininess shows the youth of the base wine. The wine has a very high robe and powerful structure. Its intense citrus fruit aromas are mixed with those of very ripe red fruit, with hints of orange blossom evoking spring.

The hints of raspberry and crystallized orange suggest a fresh, sweet and fruity drink. It has a pleasant, slightly sweet attack, with an agreeable finish which highlights the acidity of the fruit with very well integrated fortified touches. Sangria.cat is an enjoyable summer drink which cleverly mixes two jewels that are linked in Mediterranean culture: wine and citrus fruits.
